GEORGE LYNCH

SPECIAL FEATURES

- **DVD-ROM content:**
  - **The complete video formatted for your computer or iPod***
  - **Printable PDF files of music examples from the video**
- ***John Petrucci: Rock Discipline* preview**
- ***Yngwie Malmsteen* preview**
- ***Paul Gilbert: Terrifying Guitar Trip* preview**

George Lynch stormed onto the 1980s shred guitar scene with his band, Dokken. Along with contemporaries like Edward Van Halen and Randy Rhoads, George set the standard for virtuoso guitar playing. After Dokken, George went on to front his own band, Lynch Mob, and has recorded as a solo artist.

This DVD highlights the many facets of George Lynch's unique guitar style. Follow George as he demonstrates vibrato techniques, tapping, string skipping, whammy bar effects, and many of his favorite licks. George also teaches excerpts from some of his famous recorded solos. The DVD features candid moments of George in a Los Angeles recording studio creating solo overdubs for the Lynch Mob debut album, *Wicked Sensation*. Watch George play the great solo from "Street Fightin' Man," which has been transcribed note-for-note in standard music notation and TAB in the accompanying PDF booklet. If you want true insight into George Lynch's guitar playing, this is the DVD to own.
